## Program Costs

Description	2015-2016 1 <sup>st</sup> - year Cohort Cost
Tuition for full-time students (in-state) (10 credits/semester)	\$13,020 (two semesters; 10 credits each semester)
Tuition for full-time students (out-of-state)	\$28,080 (two semesters; 10 credits each semester)
Tuition per credit hour for part-time students (if applicable; if not enter NA)	\$651.00/resident; 1,404/non-resident
University/institution fees or costs	\$1,538 (two semesters) (fees also apply for summer and winter term classes if taken)
Additional estimated fees or costs to students (e.g. books, travel, etc.)	\$1,400

NOTE: All students are considered full-time and all currently have funding (fellowships or GA-ships) that include tuition remission for 10-12 credits per semester and credits in either winter term or summer term or both. Exceptions are that students on internships pay for 1.5 – 2.5 credits during internship (which will likely be out of state depending on where the student lives) with international students being required to be enrolled for 1 credit the summer their internship begins and 1 credit the summer when internship ends (institutional fees can be waived if internship is off-campus) and 1 credit in the summer if participating in an externship if campus funding does not provide summer tuition credits.

Students with fellowships or assistantships receive subsidized health insurance. Students on assistantships or fellowships typically pay only the mandatory fees as most credits are covered by the financial aid package. However, students should know that they may need to pay for some credits during their doctoral program (e.g., during internship when students are typically off-campus and receiving a stipend from their internship site rather than from an assistantship; and, students with F-1 visas who will need to be enrolled during winter term or summers if they are taking required courses if their assistantship or fellowship does not include winter term or

summer tuition remission, or students whose assistantship or fellowship does not include winter term or summer tuition remission).

Stipends (fellowships and assistantships) range from approximately \$18,000- 24,000 depending on a 9-month or 12 month/20 hours per week appointment.
